UCSF's Benioff Children's Hospital will benefit from a spectacular fundraising concert.

Emmy award-winning comedian **Dana Carvey** and seven-time Grammy award-winning trio **Lady Antebellum** will headline The Concert for UCSF Benioff Children's Hospital on September 20 at Bill Graham Civic Auditorium in San Francisco. Following the concert, guests will be treated to an after-party featuring MC Hammer and special guest DJs at San Francisco's City Hall. Funds raised through ticket sales will go toward building a new home for UCSF Benioff Children's Hospital, one of the nation's best medical facilities for children. The new UCSF Benioff Children's Hospital at Mission Bay will be part of a 289-bed integrated hospital complex for children, women, and cancer patients. The 183-bed children's hospital, scheduled to open in February 2015, will set a new world-class standard for patient- and family-centered health care, safety, sustainability, and translational medicine. Tickets start at \$250 per person. *For more information and tickets, call 415.476.6400, or visit www.theconcertforucsfbch.com.* ➤➤
