Stars come out for UCSF

The Concert for UCSF Benioff Children's Hospital: On Thursday, Alanis Morissette and Jay Leno appeared in a big benefit show at Davies Symphony Hall. Proceeds from the event, which was underwritten by the Salesforce.com Foundation, will go toward building a new home for UCSF Benioff Children's Hospital at UCSF's Mission Bay campus. The 183-bed facility is slated for completion in 2014.
